Anti-Spam & Acceptable Use Policy

CAN-SPAM ACT COMPLIANCE, ZERO-UNSOLICITED OUTREACH & STOREFRONT CODE OF CONDUCT

SuperBox for Sale maintains a zero-tolerance policy against unsolicited commercial email (spam) and prohibited network conduct. In strict compliance with the U.S. CAN-SPAM Act of 2003, we communicate solely with authenticated, opt-in customers.

01 Communication Standards & Compliance Commitments

Standard Element	Operating Principles & Anti-Spam Governance
CAN-SPAM Compliance	Full adherence to 15 U.S.C. 7701 et seq. Transparent sender credentials and headers.
Opt-In Requirement	Promotional communications are sent solely to subscribers who explicitly opted in.
Instant Unsubscribe	One-click unsubscribe links embedded in every promotional email with 24h suppression.
Zero Third-Party Lists	**100% Forbidden**. We never purchase, harvest, scrape, or rent third-party email lists.
Official Domains Only	All official communications originate exclusively from @superboxforsale.com addresses.
Phishing Reporting Desk	Report suspicious emails or spoofing attempts directly to support@superboxforsale.com.

Transactional messages (order confirmations, invoices, and shipping tracking updates) are sent to fulfill purchases and are exempt from marketing opt-out requests.

02 Acceptable Use of Storefront & Community Channels

- ✓ **Lawful Communication:** Users must not submit abusive, harassing, or defamatory comments or reviews.
- ✓ **Identity Protection:** Impersonation of SuperBox staff or other users results in immediate IP bans.
- ✓ **Anti-Scraping Rules:** Automated bots, scrapers, and malicious scripts are strictly blocked by firewalls.
- ✓ **Payment Abuse:** Chargeback fraud and unauthorized card testing are reported to law enforcement.

03 Reporting Spam & Enforcement Protocol

1. **Report Suspected Spam:** Forward suspicious emails purporting to be from SuperBox to support@superboxforsale.com.
2. **Security Investigation:** Our technical team inspects email headers and server origin IP within 12 hours.
3. **Enforcement Action:** Spoofed senders are reported to domain registrars and email service providers for takedown.
